Dear Mr. & Mrs. Scheider:

It is time for Revival! As I have been saying, America is changing fast. We are moving toward socialism as fast as this new federal government can take us. We are already short on oil supply because of the closing of our pipe lines. Immigration is exploding with illegal aliens. Business regulations are changing and are hurting the small business owners. Our taxes are going up with promise of more raises to come. We are being divided by race by this administration. The attacks on our Faith by making it illegal to not accept anti-biblical life styles. These are a few of the things that are happening right now.

We need revival in our life styles. We need more evangelism in our out-reach. God is calling us to be greater witnesses. The time is upon us to reach everyone around us with what is happening and we must stand up for Jesus!!

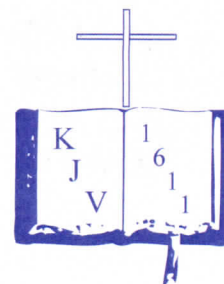

I know that God's hand will be on His saved children and we will be under His protection. We need to trust God to lead us in His daily will for our lives. We need your prayers as Saundra and I continue doing all we can do to reach those that are serving in our government.

Thank you for your love and faithfulness to the ministry. We are blessed and encouraged that God is willing to use us. Thank you for your prayers and financial support.

Yours in Christ,

Bro. Joe & Saundra Adams
