

Dear Pastor, Church Family, & Friends,

Hard to believe by the time you read this, our year will be half over. We continue praying, working, and looking for that blessed hope and glorious appearing!

First and foremost we're asking for deep and sincere prayer in regards to the transitioning of a Filipino Pastor, The Pastor we had previously mentioned has gone another direction. We as a Church believe God revealed his true heart in the ministry, and trust the Lord for his replacement. On a more positive note we rejoice for two of our men that were recently ordained to the office of deacon. We believe men are put into positions not to make them faithful, but because they already are. Qualifications for Deacon are found in 1 Timothy 3:8-13. Having met these qualifications they purchase to themselves a good degree and great boldness in the faith.

In spite of the continued lockdowns the Church continues to grow. The Lord saved four souls back in April, and with the assurance of salvation they will follow the Lord in Believers Baptism this June. Our Sunday School Class just finished up some extensive studies on how to become a more effective witness, and our Wednesday Night Bible Study is focused in the Book of Job. Trials in our life, although in no way as severe as Job's will be worth it all to see more precious souls coming to know our Lord and Saviour Jesus Christ.

MORE REPAIRS : The fence on the back half of our property was also collapsing. Thankfully through the giving and labor of the members we were able to build it back better and stronger. If you look on Tagumpay Fundamental Baptist Church FB Page you will see this and other pictures & videos that will surely encourage you of the Lord's work!

In closing, please continue in prayer for wisdom in decision making. Especially about a survey trip for the new Church Plant, Furlough for the whole family, The boys schooling, and our overall health. Circumstances and uncertainties seem to rule the day, but Our God is still on the throne. Waiting for God to move and submitting to His will is what we need, but not always easy to do.

May the Lord find us faithful,
