**Dear Pastor:**

**This month starts out with much news and things to pray about. First, Bro. Lee Watts has been approached to run for the U.S. House of Representatives. He is running for the 2nd U.S. district in Kentucky. He will be on the ballot in the May 2022 primary. He is running against the current representative. He feels we need more conservative representation in the U.S. House of representatives for Kentucky. I have discussed all of this with him. We are praying for God to show us how this will effect the Chaplain Ministry in Kentucky. We need to know what to do if he wins the primary or what to do if he does not. We want God to have the right person ready to replace Bro. Watts. Please pray with us.**

**Second, thing is the Amendment to the Constitution for Parentel Rights in the education of our children, if you choose to put them in a private school. We have started late on this amendment. It seems impossible to get it through this Kentucky Legislative Session. There are certain rules and time limits that are in the way. We will continue to work even if it takes us into the 2024 session. This amendment is one of my hopes and dreams.**

**Third, thing is on January 19th I go in the hospital for my 20th colonoscopy. After my colon cancer in 1999, I have a tendency to grow polys in my colon. It will be outpatient surgery. I appreciate your prayers. Remember Sandra's joint and pain issues.**

**Thank you for being a part of this ministry with your prayers, support and vision.**

**Yours in Christ,**

*Bro. Joe & Sandra Adams*
