& Military Prisons*

February 2022

Dear Praying Friends and Family:

At the beginning of February, Christine and I reached our twenty year ministry anniversary as missionaries to the military prisons with Rock of Ages Ministries. We praise God for all He has done over the years as we have seen thousands saved and countless changed lives! Much thanks to all those who have supported us prayerfully and/or financially over the past two decades. Whether you have supported our ministry from the beginning, or only a few months, we thank the Lord for you all. It has been an honor to serve the Lord on the field for twenty years.

Ironically, as we celebrate this landmark ministry anniversary, we also feel like we are completely starting over again, at home and on the field. As most of you know, we have travelled over 50000 miles in the past year and a half to personally report to all our supporters. Our travels have finally come to an end and we have returned home to the Joint Base Lewis McChord area. We spent the first couple weeks of February moving out of our fifth wheel trailer into a new home. We are only renting for now because of the insanity of the housing market, but regardless, we are essentially starting over again. We are moving into a new place, preparing to build a new ministry in a brand new correctional facility. I've spent over 80 hours in military training classes over the past two weeks to recertify for work in the new prison. Please pray that the new commander will be willing to issue appointment orders that enable me to operate freely within the new facility as a "staff civilian chaplain" rather than facing restrictions as a volunteer.

Thank you to those who prayed for the revival services at the two Fort Leavenworth military prisons last November. These were our first military prison revival services since the beginning of COVID, and the Lord blessed! We saw **eleven** men saved, including one guard! Lord willing, we will be able to schedule revival services again sometime for late spring.

On the homefront...

We'd like to introduce our new granddaughter, Addilynn, born to Allyson and Harry Stanley III on November 30th, 2021. Our grandson, Harry IV, turns three in May and loves being a big brother. Christine and I are so grateful for the blessings of grandchildren! Please be in prayer for my youngest brother, Luke. He's a 35 year old father of four, and recently diagnosed with kidney failure. He is currently making preparations for a kidney transplant, Lord-willingly soon in the months to come.

Again, we are ever so grateful for your faithful prayers and financial support. Thank you for affording us the privilege of representing you on the mission field of America's military prisons. We love and appreciate you all.

In HIS Service,
