Dear Pastor and Congregation,

Greetings in the of the most precious name of Jesus! Our family wants to greet you a Blessed Merry Christmas and Abundant Blessing This coming New Year! God has been good to us for our 3 months of deputation here in your country. Churches and families are warm and open to accept and believe in the ministry that God entrusted to us. We want you to know that we are grateful and thankful for your prayers and support to the ministry and to our family as well. We are praising God on how He amazingly blessed and took good care of us while we are traveling around the country. We felt God's love and guidance to us through people like you. Thank you for being a channel of blessing to the missionaries like us. Two new churches are already picked us up on a support and while others are promised to donate toward our 2nd CHURCH PROPERTY .

PRAYER REQUEST

Please continue to pray for us here and our needs for the ministry before we go back to home on the 30th

of January.

Pray for our son Prince Daniel is back home he celebrated his 7th birthday and will celebrate Christmas and New Year without us beside him. Pray for us too. Pray for more opportunities to witness and many souls will be saved.

We need 40 % additional support.

We are on the 10% of our goal \$50,000. Our heart's desire is to purchase a lot and build a building for the second church in one of the villages in our town. Our goal is to start a Church every five years As the Lord laid to our hearts to bring the church to the people in every villages of Binmaley or even neighboring Cities. For the reason to reach every people even in the remote areas and hear the Gospel of Salvation That is why we are determined to go on deputation to seek help and support. Please support us and be our partner in fulfilling the great commission of God in the Philippines .

Once again, thank you so much for your prayers and support.

MAY THE LORD CONTINUE TO BLESS YOU TO

In Christ Alone,

Bro. Danny , Lea & Prince Daniel
