Dear Pastor:

This date, January 1, 1983 represents forty years ago today I walked into the Kentucky Capitol and began a new ministry in my life. After ten years of pastoring and three years as youth director, I began the Chaplain / Evangelist Ministry. This year I mark Sixty-Four years since I preached my first Sunday morning church service.

I praise the Lord that He is still using me in the Chaplain / Evangelist Ministry. My health being as it is, God continues to open doors of witness and ministry to Churches, Personal Counseling, Soul Winning, Christian Schools, home school families and our Government Officials.

As we start this new year there are so many religious liberty issues at stake. America is not what it was! We must take a stand like never before. We must share the Gospel and Salvation to others with all of His power. Please pray for me that God will guide me in helping me to help you to know what is happening in these areas and what we need to do.

Thanks to everyone that is a active part of this ministry with your Monthly Support and Prayers. Your encouragement challenges me to continue to do all I can. I will pray that God continues to Bless you and Keep you in His care.

**Yours in Christ,
Brother Joe Adams
