

January to March 2023

Dear Prayer Partners,

Guten Tag aus Deutschland. There are signs of spring in the air here in Germany, but there have also been days that winter still wants to hang on. We have had some cold days and even snow flurries on and off throughout this month but it is nice that the days are staying lighter later, and the sun does make an appearance every now and then.

We have had a busy few months. We kicked off the year with our Lords supper, a challenge given by Patrick to hand out at least one tract a week, and two new events that we were able to host. One event was a bridal shower for one of our recently married soldiers. It was a joy to celebrate her and to offer advice on what has worked in the other ladies' marriages. The other event was a Valentine Love conference. It was well attended and our children were taught by one of our own supported missionaries about the good Samaritan.

This past month we were able to see our daughter as she came to visit for almost two weeks. It was a wonderful time having her back, but as always it goes by too quickly and the "see ya later" never get easier. We were also able to rejoice with one of our dear brothers who has had a desire to get baptized. Patrick was able to baptize him earlier this month. It was an exciting time, as this man loves the Lord, and you could see how much the baptismal meant to him and it encouraged all of us as we celebrated this step of obedience. On that same Sunday, we said see you later to one of our faithful single ladies as she has moved on to another city about 2 hours away to continue her university education. She is missed, but we know she will come to visit from time to time. We were also able to surprise Patrick for his birthday and called it 50 again, because due to Covid over the last several years restrictions made it difficult to celebrate. He was spoiled by the church and ended up having 3 cakes. After our potluck of celebration, we went into our second service for a testimony time, called Salvation Sunday. Many shared their testimony of salvation, tears were shed by what the Lord has done in our lives, and how we were so thankful for God saving us. It was a good time of sharing and seeing what the Lord did in our dear people's lives.

We pray each of you has a wonderful Easter, the Lord is glorified, and souls saved. We will have a special sunrise service and breakfast fellowship. Please pray we have visitors and that the God will be honored in all that takes place on that day. The military community here continues to grow as soldiers and civilians are moving here as new units are stood up here. Please keep them in your prayers as well. As always, we want you to know how appreciative we are for you investing in our family financially and prayerfully. We are honored to be your representatives here in Germany.
