

Dear Pastor, Church Family & Friends,

Greetings in Christ our Saviour! We are thrilled to announce a long awaited Furlough is in the near future. Matthew and I will be Stateside September 14th. Please continue to pray for Divine and Timothy to join. As of now the Vaccine Mandate for Non- U.S. Citizens entering the Country is still in effect.

- Church News: God is working mightily in the hearts of the members, especially in the area of Unity. Our Services are sweeter in the Lord, and His Spirit is moving souls to serve. We presently have three individual groups out Soul-Winning and doing Follow up visitation. As a result three teen girls, and one teen boy have returned back to Church with the assurance of their salvation. Another young Man by the name of John Azer believed the Gospel and was saved last month. He's ready now to follow the Lord in Believers Baptism!

- Up Coming Events: July 24-28 Will be our DVBS. This will be our first one here in Palawan due to Covid restrictions over the past couple of years. We are targeting and praying for at least 100 Children ages 4-15. If you are able to give any amount above our regular support it would be much appreciated! We are planning to provide food snacks, prizes, and awards on graduation day. In addition to these we are hoping to provide much needed school supplies for their up-coming school year. We are also planning to bring in a couple of experienced teachers from our second Church plant. If you could Sponsor one of the Teachers with their traveling expenses of \$100.00 it would be a great blessing. Over the years we have seen many Children and Parents saved under DVBS, and Whole Families join the Church, praise the Lord, it will be worth it all!

- Prayer Requests: For a full time Filipino Pastor to take over the work, and the start of a new Church Plant.

- Restrictions to be lifted so Divine and Timothy can travel back to the States. Also a 10 year multiple entry visa for Divine if the Vaccine Mandate is lifted.

- A fruitful DVBS and Expenses

- Our Visitors from Australia to be used of the Lord during their two week visit May 29th through June 12th. They are Divine's Faith Parents and Dear Friends in the Ministry. They have a big heart for Missions, and we're looking forward to the encouragement.

- For Matthew's Next School Year. Lord willing we can enroll him back at Bethel Christian with the A.C.E. Curriculum. This will be helpful during our Stateside travels.

- In Closing: Please continue to follow us on Facebook, Tagumpay Baptist Church, we regularly upload Pictures and videos of the Lord's work.

Thank you for the faithful support and prayers,

The Shaffer Family (2 Corinthians 4:5 KJV) For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake.
