Dear Pastor and Congregation,

To God be the glory great things He has done! Our family are thankful to God for your faithful support to us in prayer and financially. We are in the Philippines for four months now, the Lord continues to bless the ministry through our outreach ministries. Our vision is to plant churches to different villages and neighboring towns every five years. We already started our 3rd church this month, challenges are always exciting in the ministry, finding a place of worship, soul winning and discipling Christians to follow the Lord Jesus Christ. 62 souls accepted the Lord as their Savior in four months. 13 souls followed the water Baptism last month of April.

She was my opposer but now serving the Lord. This is my eldest sister accepted the Lord and baptized recently. Thank the Lord for saving her soul and her sons.

This family just joined our church recently and I baptized her son and daughter.
