Missionaries to the U.S. Military

January to March 2024

Dear Pastor and Praying friends,

Guten Morgen from beautiful Germany. As I sit typing this, I am able to look out our window and see the welcomed sight of spring. Flowers blooming, leaves coming back in their beautiful hues of greens and the lush grass springing forth with new life. The sun is also starting to shine more, which is a blessing. We had our Easter services today and it was such a blessing. Time change occurs in Germany the same weekend as Easter which made our Son-rise service a challenge but God Blessed. We ended the day with 31 in attendance including 1 new visitor and several returning visitors. Our singles group continues to grow as well. I reflect on the last few months as God has been so good to us and our church. He continues to bless, guide and direct and continues bringing forth people that need a church home. One of the difficulties of a military ministry is the turnover each year but God is always faithful to bring in more.

Over the last couple months, we have had 2 babies born in the church family, one boy and one girl. Our nursery has started to grow again and it is such a blessing to have these beautiful babies as a part of our church. Thankful for their parents as they desire to raise their children in the love and admonition of the Lord. We also started back our men's prayer breakfast and our ladies Bible study after the holiday break. It has been good to have that extra time of fellowship with our church people and to dive deeper into Gods word.

Patrick and I celebrated 28 years of marriage in February, and we are so thankful to serve the Lord together. Thankful that not only has He grown us closer together but that He continues to work and move in our lives. Patrick also celebrated his 54<sup>th</sup> birthday on March 13<sup>th</sup>, a Sunday, where he was shown love by our church family and was able to celebrate his birthday in church. What a great place to spend your birthday and to be able to praise God for another year of life.

Michael continues to grow not only physically but spiritually. He has a testimony of getting saved around 5 years old while riding in the car. Patrick talked to him more about it and he was able to give a clear testimony of when he got saved and what it means. On March 10, he made that profession of faith by getting baptized. It was a special blessing to watch Patrick baptize him. Pray for him as he continues to grow in his walk with the Lord.

Just last week we had a young single soldier visit our church who had been in the area for 6 months. Our people loved on him, warmly welcomed him in and at the end of second service, Patrick asked if he had any questions. As they headed to the church office, Patrick asked him if he was saved, the young man didn't hesitate and said no. Patrick proceeded to give him a clear presentation of the gospel, but he wasn't ready to accept it. The next day, he asked to Lord to save him. Please pray for Ashton as he grows in the Lord.

Thank you for your faithful financial and prayer support.

The Wolfes, (Patrick, Sheila & Michael
